TAUBER INSTITUTE FOR GLOBAL OPERATIONS
UNIVERSITY OF MICHIGAN

25 YEARS

The Tauber Institute for Global Operations

is a partnership between the University of Michigan College of Engineering and Stephen M. Ross School of Business, and a 30-member Industry Advisory Board. The Tauber Institute was developed to meet industry's need for a new kind of graduate—one who has an exceptional academic background, extensive professional experience, and most importantly, can successfully integrate business and engineering perspectives to lead global operations into the future.

2017 Class Profile

Students in eight different degree programs participate in the Tauber Institute. Through the Tauber Institute, all students complete a rigorous joint business and engineering curriculum and participate in a Tauber Team Project.
